Sir,

COMMUNITY PROJECTS--South Kanara--Social Education--Organization of Youth Clubs--Proposals--Submitted.

Ref: G.O.Ms.No.2141 Agri. Dept, dated 28-6-1954.

Though a few Youth Clubs have been started recently in this Project area, they have not been well organised. On receipt of the G.O. cited above, enquiries were made to find the possibility of bringing these clubs in line with those of the type mentioned in the G.O. I submit herewith proposals for the formation of six major Youth Clubs and thirty minor Youth Clubs in this Project Area, similar to those mentioned in the G.O. These Clubs will serve as nucleus for the development of a well organised and powerful youth movement in this area. Since the public can be easily induced to take interest in play-ground activities, sports and tournaments will figure prominently in the clubs' programme especially in the initial stages. Each club will be equipped with a library and reading room attached to it so as to enable the members and village folk to take full advantage of the proposal besides recreational activities. These clubs when they begin to function will cater to the material, moral, spiritual and cultural needs of the growing citizens of the locality.

The expenditure for providing these clubs withnecessary equipments is worked out as follows:

Major Clubs:

Expenditure for gymnastic equipments for six major clubs at the rate of Rs.200/-	Rs.1,200/-
Expenditure for recreational materials for six major clubs at the rate of Rs.150/-	Rs. 900/-
Expenditure for library eqipments for six major clubs at the rate of Rs.300/-	Rs.1,800/-
Total expenditure for six major clubs.	Rs.3,900/-
Expenditure to be met out of Community Project funds. :	Rs.2,600/-

The balance of Rs.1,300/- will be met by the Villagers.

Minor Clubs:

Expenditure for sports,gymnastic and recreational materials for 30 minor clubs at the rate of Rs.150/- per club.	Rs.4,500/-
Expenditure for library equipment for 30 minor clubs at the rate of Rs.300/-	Rs.9,000/-
Total expenditure for 30 minor clubs.	Rs.13,500/-
Expenditure to be met out of Community Project funds. :	Rs.9,000/-

Balance will be met by Villagers.

I therefore request that the Government may be pleased to sanction a sum of Rs.11,600/- proposed above for the 36 Youths' Clubs. The expenditure may be met from the provision made under Social Education in ~~ix~~ the revised overall programme generally approved by the Government in Memorandum G.O.Ms.No. 1324 Public (R.D.P.) Dept. Dated 11-8-1954, as detailed below:

Aid to libraries at Rs.300/- for 36 libraries exclusively from Community Project funds.	Rs.10,800
Aid to six indegenous physical culture institutiens, at Rs.250/- per each.	Rs.1,600
Total.	Rs.12,300/-

The proposals for sanction on library schemes have beem submitted in this office Ref. 2867/53-B (Edn) dated Separate proposals for a lumpsum grant of Rs.300/- for the award of prizes in public sports and tournaments have been submitted in this office Reference 3790/54-B(Edn) dated 4-9-1954. Thus the total expenditure of Rs.11,900/- required for implementing the above proposals falls within the provision of Rs.12,300/- referred to.

With the interest of young men in this organisation getting ~~stabilised~~ stabilised every effort will be made to persuade them to take up constructive activities also, such as organising the youths for manual labour for village work enacting dramas and conducting study circles and discussions. Some of these activities have already been started by the Clubs now functioning. The introduction of all the activities mentioned above will surely provide ample opportunity for young men to serve their fellow men more effectively on an organised basis and to develop their leadership qualities to take up rights and responsibilities of a free citizen in a democratic country like ours.

I therefore requestthat the Government may be pleased to sanction a sum of Rs.11,600/- for the above purpose in addition to ~~the~~ Rs.300/- recommended for prizes.

Yours Faithfully,

A Narasimha

Project Executive Officer.

2. Govt. Memo No.1049/54-1, Pub. RDP XI Dept., Dt. 22-10-54.

The details of the revised proposals for the 36 youth clubs in the South Kanara District Project, six of which will be of the major type, are worked out this way:

6 Major Youth Clubs:	Total.	Expenditure from C.P.
Sports, Gymnastic & recreational materials for each Major club	Rs.250.	160.
Library and reading room.	Rs.150.	100.
Total per major club.	Rs.400.	
C.P.expenditure per major club:		260.
C.P. expenditure for 6 major clubs.		1560.
30 Minor Youth Clubs:		
Sports, Gymnastic & recreational materials for each minor club	150.	100
Library & reading room.	150.	100.
Total expenditure per minor club	300.	
C.P. expenditure per minor club,		200.
C.P. expenditure for 30 -do-.		6000.

Expenditure to be incurred by the Community Project for 6 major clubs and 30 minor clubs will therefore be Rs.7560/-. A contribution of not less than Rs 140/- for each major club and Rs.100/- for each minor club will be collected from the public benefited by the scheme. The total contribution by the people for the 36 clubs will therefore be not less than Rs.3840/-.

Now there will be only a difference of Rs.60/- per major club and Rs.100/- per minor club, between the youth clubs of the Malampuzha and South Kanara project. This difference is necessitated by the inclusion of the libraries and reading rooms scheme in the youth clubs.

P.T.O.

In addition to the provision of circulating libraries it is considered necessary to provide atleast a small amount to improve the existing libraries in the Youth Club areas, by alloting atleast Rs.150/- per library, on condition that the people contribute 1/3rd the amount. This arrangement will encourage the people to take a better interest in the library movement, as dependence on the circulating library does not find favour with the village folk of the district. The total amount involved being only Rs.3600/- it may kindly be sanctioned.

I, therefore, request that the Government may be pleased to sanction an amount of Rs.7560/- for opening 36 youth clubs in the South Kanara District Project, as early as possible, as some of them have already been opened in anticipation of Government sanction.

Yours faithfully,

Project Fxecutive Officer.
